

Washington Safety Summit

Presented by SafeKids Pierce County
Wednesday, March 22, 2017 9:00am - 4:00pm
University of Washington-Tacoma
1900 Commerce St., Tacoma, WA

This one-day conference provides an opportunity for child safety advocates to gain information and skills that improves their ability to address injury prevention in their communities. It is attended by public information officers, fire and police department personnel, injury prevention educators, hospital staff, child passenger safety technicians, teachers and school counselors, PTA members, and all child safety advocates.
